

ISOLATION RATES

At a Glance

COVID-19 DDA Services

Temporary changes, effective March 13, 2020

Availability of Isolation Rates

- The following service rates may be increased for supporting people that have positive determination for the COVID-19 virus, and therefore are required to be isolated:
 - Community Living - Group Home
 - Nursing Services (e.g. Nurse Health Case Management & Delegation Services, Nurse Consultation, and Nurse Health Case Management)
 - Personal Supports
 - Shared Living
 - Supported Living
- Rate can be requested beginning the date the person was determined positive and may be billed up to 21 consecutive days while the person is in isolation

Isolation Rates

- Rates are increased by up to 50%
- Increased rate for the Community Living-Group Home service includes add-ons

Isolation Rates Documentation and Billing

- DDA will share detailed billing and documentation guidance
- Providers must maintain and submit documentation of direct service delivery supports, and the positive determination result to support the increase rate upon request by the DDA
