

Provider LTSSMaryland Go-Live Dates for Supported Living

DDA's LTSSMaryland Implementation Plan for Supported Living Services

The DDA will be implementing supported living services by region, starting with the Eastern Shore, Southern, and Western Regions on November 1, 2020. Providers who support people in supported living services in multiple regions will transition to EVV at the latest date for the regions in which they operate. For example, an agency that provides Supported Living in the Eastern Shore and Central regions would begin billing for supported living services in LTSSMaryland starting on December 1, 2020 for everyone they support.

Please find the full list of provider go-live dates below.
