_____ Service is not included in the approved waiver.

Service Definition:

A. Transitional Employment services are time limited services to help individuals learn skills to work in competitive integrated employment.

B. Transitional Employment services includes:

1. Facility based employment supports are provided at a fixed site, owned, operated, or controlled by a service provider. Facility based employment supports can include learning and maintaining job skills or social skills and job placement in small or large employment groups.

2. Small group employment supports includes enclaves, mobile work crews or contract work. The small group employment supports can include job placement in the group and learning and maintaining job skills or social skills on the job when the group is between two (2) and eight (8) individuals. The employer of record is traditionally an agency providing supports that is contracted to complete work in the community.

3. Large group employment supports are provided when an individual’s employer is a provider of service who is contracted to complete work in the community. The large group employment supports can include job placement in small or large group employment and learning and maintaining job skills or social skills on the job when the group is between nine (9) and sixteen (16) individuals.

Service Requirements:

A. Transitional Employment is an employment service.

B. The services and supports must be provided consistent with the Department of Labor, Workforce Innovations Opportunities Act, and applicable State policies related to wage and hour laws.
C. Individuals must have an employment plan that outlines how they will transition to community integrated employment (such as participating in discovery and job development) with the exception of those at the age of and who choose retirement.

D. An individual’s person-centered plan may include a mix of employment and day type services such as Day Habilitation, Community Development Services, Employment Supports Discovery and Customization, and Supported Employment provided at different times.

E. Transportation to and from and within the day activities will be provided or arranged by the licensed provider and funded through the rate system. The licensee shall use the mode of transportation which achieves the least costly, and most appropriate, means of transportation for the individual with priority given to the use of public transportation when appropriate.

F. Transitional Employment Services does not include items or services otherwise available under the individual’s private health insurance (if applicable), the Medicaid State Plan, or through other resources.

G. Professional services will only be covered under the waiver if the Program has denied a covered service and the service has been pre-authorized by the DDA.

H. The activities covered by this service are meant to be stepping stones for people to learn skills to work in competitive integrated employment.

I. Service is not available under self-direction model.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

Transitional Employment services are provided Monday through Friday only.

Transitional Employment services may not exceed a maximum of eight (8) hours per day (including other Community Development, Employment Supports Discovery and Customization, and Day Habilitation services).
