Service Definition:

A. Vehicle modifications are adaptations or alterations to a vehicle that is the individual's primary means of transportation. Vehicle modifications are designed to accommodate the needs of the individual and enable them to integrate more fully into the community and to ensure the health, welfare and safety by removing barriers to transportation.

B. Vehicle modifications may include:

1. Assessment services to (a) help determine specific needs of the individual as a driver or passenger, (b) review modification options, and (c) develop a prescription for required modifications of a vehicle;
2. Assistance with modifications to be purchased and installed in a vehicle owned by or a new vehicle purchased by the individual, or legally responsible parent of a minor or other caretaker as approved by DDA;
3. Non-warranty vehicle modification repairs; and
4. Training on use of the modification.

SERVICE REQUIREMENTS:

- A. All vehicle modifications purchases must be pre-approved in writing by the DDA.
- B. A vehicle modification assessment and/or a driving assessment will be required when not conducted within the last year by the Division of Rehabilitation Services (DORS).
- C. A prescription for vehicle modifications must be completed by a driver rehabilitation specialist or certified driver rehabilitation specialist.
- D. The prescription for vehicle modifications applies only to the year/make/model of the vehicle specified on the Vehicle Equipment and Adaptation Prescription Agreement (VEAPA).
- E. The vehicle owner is responsible for the maintenance and upkeep of the vehicle.
- F. The vehicle owner shall purchase insurance on vehicle modifications. The program will not correct or replace vehicle modifications provided under the program that have been damaged or destroyed in an accident.

- G. Vehicle modifications are only authorized to vehicles meeting safety standards once modified.
- H. Modifications to a vehicle other than a standard sedan, van or minivan require a formal vehicle modification assessment and prior approval of the DDA.
- I. Vehicle modifications do not include the purchase of new or used vehicles, general vehicle maintenance or repair, State inspections, insurance, gasoline, fines, tickets, or the purchase of warranties.
- J. The Program cannot provide assistance with modifications on vehicles not owned by the individual or their family. This includes leased vehicles.
- K. Vehicle modifications may not be provided in provider owned vehicles.
- L. Vehicle modifications will not be covered if service is available under the individual's private insurance, the Medicaid State Plan, the Rehabilitation Act, other waiver services, or through other resources.

Specify applicable (if any) limits on the amount, frequency, or duration of this service:

- A. Services are provided to an individual no more frequently than once every ten years, unless an exception is approved by the DDA.
- B. Vehicle modifications payment rates for services must be customary, reasonable, and may not exceed a total of \$17,500 including environmental modifications over an individual's lifespan, unless otherwise authorized by DDA.
